

## **EDUCATION IN THE TUBA FOOTBALL METHOD**

### **For whom?**

The method is meant for talent developers and scouts, club instructors, sport psychologists, coaches, football schools, clubs and other places which have personnel/leaders which can be trained with the Tuba Football method.

### **What are the requirements?**

An appropriate education and at least 3 years of experience within the football field.

The requirements may be fulfilled in some other way as well.

Your personality is of great importance.

Access to a PC with internet and a printer.

**PRICES per person** (*prices do not include VAT*).

**EDUCATION** in the Tuba Football Method.

3 days education in the Tuba Football Method, will be executed both individually and in groups.

The education includes a manual, certificate, access to your own account on Tuba's intranet (MyTuba) with material that will support your practice, and a year's license to the program with unlimited usage of the mapping tool during the license year.

Total cost, both education, certificate and license: SEK 15.800

### **HOW WE WORK:**

Theoretical learning is mixed with practical work. To pass, the participant must go through a personal mapping during the course of the education.

After the education is finished, the participant will get a certificate and a license in Tuba Football.

### **LENGTH:**

The education will be for three days at two different points in time.

The total duration of the education is five weeks.

The fixed days of the education will be decided in cooperation with Tuba AB.

### **PLACE OF EDUCATION:**

The education can be offered at your own work place or city. Travelling expenses and eventual costs for room and board for the tutor will be added to the total price. An alternative is to have the education in Stockholm. Contact Tuba AB in case of questions or agreements.

### **LICENSE AGREEMENT:**

After the education is finished, a license agreement with general conditions will be signed by both parties. Tuba is a legally protected method and trademark.

After the education year, only a license fee of SEK 3900 per year will be paid.
